Marks

A10

 You chose a suitable tempo & you gave the playing some elegance. There was a lack of clarity in the lines in one passage, but generally it was clean. A good sense of rhythm & nicely phrased. Assured.

B7
 Confident playing of this Cha-cha-cha & you captured the spirit of it successfully. It was always well projected & there was hardly a blenish.

C7
 This was presented with some nicely changing tone colours & again, the title of the music was clear from your playing. Good clarity of line here. Enjoyable.

✓ Scales and arpeggios or unaccompanied traditional song
 Played at a suitable tempo for this grade. It was a reliable presentation & almost all were fluent & even. One 2nd. attempt was needed.

Sight-reading (and transposition) or Quick Study
 A very good reading. Entirely correct, until a hesitation in the last bar. Some expression marks were noticed.
